DST Health Solutions® and Colorado Access Extend Agreement for Business Process Outsourcing Services

Comprehensive Outsourcing Services Help Health Plan Improve Efficiency, Reduce Administrative Costs and Focus on Business Growth

BIRMINGHAM, Ala., June 16, 2008—DST Health Solutions today announced that Colorado Access has extended its agreement for business process outsourcing (BPO) services, including claims payment and front-end processing. This comprehensive BPO agreement provides Colorado Access with efficient administration of all lines of business, including their Medicare Advantage products.

“Business process outsourcing enabled us to tap the bench strength of DST Health Solutions for operational improvement,” said Marshall Thomas, M.D., president, chief executive officer and chief medical officer of Colorado Access. “This allowed us to focus on strategy, and add two new lines of business.”

DST Health Solutions provides Colorado Access with complete BPO services, including:

- Mailroom and claims document intake
- Claims adjudication, resolution and workflow support
- Membership enrollment processing
- File submission operations with Centers for Medicare and Medicaid Services (CMS)
- System configuration, including provider, contract and fee schedule maintenance

“Our industry-leading claims outsourcing services help health plans like Colorado Access reduce transaction costs and concentrate on their core competencies,” said Steve Sabino, president of DST Health Solutions.

About DST Health Solutions

DST Health Solutions delivers solutions and business process outsourcing services that improve efficiency, reduce operational costs, increase speed to market and improve customer service for health plans, consumer-directed plans, government plans (Medicare Advantage/Part D and Medicaid) and physician practices. DST Health Solutions’ enterprise applications, and ASP and BPO services support 390 healthcare clients, representing more than 38 million covered lives, 360 million health plan claims, 35 million physician business transactions and 700,000 consumer-directed members annually.
